Biography

Luiz Reni Trento is a specialist in Sales and Operations Planning (S&OP) and the founder of UP S&OP, a consultancy and technology firm focused on decision-support solutions for supply chain planning. He holds a Ph.D. in Production Engineering and Systems from Unisinos and a Master's degree in Logistics from UFRGS. With over 25 years of experience in multinational supply chain environments, his work integrates decision intelligence, machine learning forecasting, and the development of python-based decision-support artefacts. As an applied researcher bridging theory and practice through design science research, he has authored 10 academic publications, accumulated over 220 citations, and holds an h-index of 6 (ORCID: 0000-0003-3119-3047).
